## Principal's News...

### Welcome week 2

Our major fundraiser- the Two Day Bike Ride, is this coming weekend. **We need your help!** A special thank- you to all of you who have offered to help out during this week and over the weekend. I'm sure it is going to be an amazing success as in the past thanks to the efforts of our organising committee who have all been working hard over recent months.

- ♦ **Aria School Planning and Reporting for 2019...** Some of our Planning and Reporting documentation for 2019 was included in our 2018 Annual Report which was handed out at the end of year prizegiving. Annual targets for achievement in 2019 and other sections are about to be added and the full document will be sent to the Ministry of Education by the 1st of March. If you would like to read the full document or parts of it, please contact Nicola or myself. If you did not receive the Annual Report at the end of last year and wish to read it please contact the office.
- ♦ **Swimming...** Please check that your children are prepared for swimming. The weather is perfect so let's make the most of it.
- ♦ **Piopio Swimming Lessons...** If your children are involved in after school lessons and you haven't already contacted Nicola could you please do so immediately. This is change to normal after school arrangements and we need to be sure that we have the correct information.
- ♦ **Stationery...** It is expected that all students will have their stationery orders in by now OR will have their stationery already at school ready for use.

**Have a great week,  
Pam Voyce.**

### NEWS FROM WHAEA MARIE...

**ALiM (Accelerated Learning in Maths) Group 1** will begin today. Small group sessions are held daily from 8:30-9am for approximately 4 weeks and is extra to classroom maths. A letter outlining the program will come home with your child today along with an ALiM pack of resources. These packs will travel to and from school each day with activities to support your child's learning. Please keep them in a safe place away from younger siblings as there will be small pieces such as dice and counters. All ALiM materials are expected to be returned at the end of a 4 week cycle as a considerable amount of time goes into preparing these resources for students. If you have any further questions, feel free to contact me here at the school.

Nga mihi,  
Whaea Marie
