## Principal's News...

### WELCOME TO WEEK 10

Welcome to the final week of term 2. The staff and Board wish you safe and happy holidays with your wonderful children and we look forward to seeing them all back on the 22<sup>nd</sup> July looking refreshed and ready for a very busy term three.

- ◆ **Interviews are this week...** Please contact the office if you are not able to meet with your children's teachers at the time arranged with Miss Johnston or Miss Hurley.

Interviews begin this afternoon. It's a good idea to highlight the report or write questions so that the interview time can be as productive as possible. Please bring your child with you if you wish. It is very important that we are all working together to make the best choices for your children.

- ◆ **Reports and Folders...** If for some reason you did not receive yours please phone the office immediately.
- ◆ **Marae Visit, Piopio College Matariki Visit, Whikoi Mo Te Reo and games day at Piopio College ...** Full report and photos next term.
- ◆ **Science Celebration...** Congratulations to our students and their teachers for their work leading up to this year's Science Celebration.

Mrs Pease has received 115 entries this year which is amazing!! Although it is causing her to stress a little!

All displays will be set up in the Aria hall ready for judging on Tuesday morning. The hall is open from 9.00am on Wednesday and I urge you most strongly to visit and spend some time viewing the exhibits. The prizegiving will follow at 12.30pm.

Many thanks to Heather Pease for organising this year's Science Celebration.

- ◆ **Board of Trustees meeting tonight at 7.00pm - All welcome.**
- ◆ **Outstanding Family Accounts...** were sent home week 8, can accounts please be settled by end of term (Friday 5<sup>th</sup> July). If you are unsure whether you owe money on your family account please contact Nicola in the office.
- ◆ **Farewell to Mr Scott Lincoln...** We would like to take this opportunity to acknowledge the contribution that Scott Lincoln the Principal of Piopio Primary has made to our district. We would like wish him every success at his new school, Otorohanga South School.

**Have a great week,  
Pam Voyce.**

## ARIA WILDCATS ARE THE CHAMPIONS

We couldn't wait to get on the turf. We thought we had a very good chance of winning! We had beaten them before and if we all work together it would happen again.

It was a tough first half of the game. Were winning 3-1 at the half time break. Piopio came back strong in the second half but we did too. Both teams played a good final however the buzzer went and we had won the game 6-5! We won the cup!!! We were all very happy and excited. Player of the day was Tilly.

Thank you to everyone who has supported us during our season and a big thank you to our awesome coach Matthew Darke - we couldn't have done it without you.

From all of the players in the Aria Wildcats!

Last week we played: Kiokio and we won 5-1.

Player of the Day: Eden

## ARIA TIGERS

Ka mau te wihi! Awesome final. Thanks to Eva for filling in the first half, helping in setting up a 3-1 lead at half time. Great effort from the five who played the second half, holding out a strong comeback from TKP to win 5-3. Goals to Oskar, Hanatāua, Holly and Bella and great defence from Maddie "Mad-Dog" Darke.

Thanks for a great couple of months. Your parents should be very proud, you all improved each week and always played with great sportsmanship. Nga mihi nui ki a koutou! Steve Bodger

## ARIA LIONS

Last game, 7 - 0. Great game, lots of thinking ahead and working well as a team. Final Players of the day go to Aavia and Ruby for attacking and getting in amongst it! Congratulations to all the players today! Cheers Erin Barclay

# SCHOOL NOTICES

## THE TOOTH FAIRY - BY EVA DARKE

In 1515 a horse was born, she was named Sililil. Her mum and dad's breed was quarter horse, but she was born as a Pegasus. As she grew older she grew wings on her back and found out that when she ran fast, she began to fly.

All the other horses, except once called "Hippocampus" thought that she should be crowned Queen. Hippocampus crept into her stable one night and tried to clip her wings, unfortunately for him, Pegasus had wings as sharp as a blade and they cut his teeth out. From then on, Hippocampus was known as the Tooth Fairy.

That's why he travels the world every night in search of new teeth.
