NEW ZEALAND EDUCATIONAL INSTITUTE

**IT'S TIME YOUR CHILDREN HAD
THE EDUCATION THEY DESERVE**

Schools are facing a teacher shortage crisis, with a 40% drop in people training to be teachers; and a growing number of school-aged children. In late 2018, 50% of schools reported that they did not have enough teachers. Schools are struggling to attract teaching staff, and that problem looks set to worsen.

There is also a desperate need for more support for children with additional learning needs.

Yet, the Government recorded a bumper surplus of \$2.5 billion in April 2019. The money is available and we're calling on the government to prioritise a quality public education for every child.

WHAT WE ARE CAMPAIGNING FOR?

- * More teachers – so your kids can get more attention
- * More resources/staff to support children with additional learning needs
- * A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future.

SHOW YOUR SUPPORT!

Let your teachers know you support them and join in campaign activities at your local school. Find out more at <https://campaigns.nzei.org.nz/time>. And join our National Day of Action on 29 May – you can find your local event at backtheteachers.co.nz.
