BUS RULES

RULES FOR BEHAVIOUR OF PUPILS ON OUR SCHOOL BUSES

We expect that pupils travelling on the buses will:

1. Wait in a safe place for the bus each morning and not engage in any activity which will put themselves or others in danger, with older students taking an interest in the safety and conduct of younger students.
2. See that younger students embark first.
3. Move promptly to the allotted or usual seat and remain in that seat for the duration of the journey .
4. Sit facing the front of the bus and not engage in any fooling around, jostling, bullying etc.
5. Keep conversation at a low level, talking only to their immediate neighbour and definitely not make any sudden noise such as yelling, loud laughter, inappropriate language which may distract the driver.
6. Be respectful and obedient when spoken to by either the driver or the bus prefects.
7. Not interfere with the property of any other pupil.
8. Not eat or drink while on the bus and leave no litter in the bus.

Pupils who do not behave in a satisfactory manner will be reported to the bus controller and a record kept. If poor behaviour is repeated parents will be informed. This could results in the pupil being refused school bus transport.
