MOBILE DENTAL UNIT IN PIOPIO

The Waikato DHB Community Oral Health service is pleased to advise you that we will resume routine dental checks from our clinics and mobile units at alert level 1. COVID-19 health screening questions will be asked prior to an appointment. If your child is being seen on a mobile dental unit, we may need to contact you at the time we call your child from class to complete this questionnaire. Parents making appointments will be asked the COVID-19 health screening questions as a matter of routine. This will also provide an opportunity for you to update our records of contact details, medical history and consent. Parents should contact us on **0800TalkTeeth** and go through to the **"WAIKATO"** option if you do not want your child to receive their dental check at school.
