Principal's News...

Welcome to Week 12

Welcome to our final week of term 2.

Enjoy the school holidays and recharge the batteries ready for a very busy term 3 ahead.

- ◆ **Board of Trustees meeting tonight...** Feel free to drop in to our Board meeting tonight at 7.00pm in the Staffroom.
- ◆ **School Sign...** At 6.45pm we will be meeting at the Aria Hall to view the beginnings of our new school sign. This sign was designed by senior students in 2015 and 2016. The piece of redwood timber was donated by Aaron Demchy and his family. Kerry Te Kanawa has generously offered to carve the sign starting on Monday 6th July. A blessing will be held at 9 am on Monday prior to the commencement of carving.

Feel free to drop into the hall during the holidays to view the progress. The sign should be completed by the end of the school holidays and then relocated on the front corner of the school grounds to its permanent site.
- A special Thank-you to Peter Foss and Charlie Winikerei for their commitment to the completion of this carving.**
- ◆ **Parent Interviews...** We have interviews scheduled for this afternoon, tomorrow afternoon and Wednesday afternoon. Staff will follow up with parents who were unable to attend this week, in the first week back next term.
- ◆ **Community Consultation...** At the end of last year we sent home a questionnaire seeking feedback on the attributes you believe a student graduating from Aria School should have. Due to the timing of this we only had a small number of responses. Could you please complete and return this one page questionnaire by the end of this week to go in a draw for a \$50 grocery voucher.
- ◆ **Science Celebration...** Congratulations to our students and their teachers for their work leading up to this year's Science Celebration.

All displays will be set up in the Aria hall ready for judging on Tuesday morning. The hall is open from 9.00am on Wednesday and I urge you most strongly to visit and spend some time viewing the exhibits. The prizegiving will follow at 12.30pm.

Many thanks to Heather Pease for organising this year's Science Celebration.

**Have a great week,
Pam Voyce.**
