## Welcome to Week 5 of Term 2.

- \* **Auditions...** begin this week for our annual production. This year our production is "Robin and the Sherwood Hoodies".

All students will have the opportunity to audition and there will be parts for everyone, including our year one students. All students who have asked for scripts already have one. Production songs will begin in the next few weeks.

- \* **Whikoi mo Te Reo 2021...** our annual celebration of Te Reo Maori will take place at the beginning of term 3. This will be a two day event which will involve our students performing in Te Kuiti at the Les Munro Centre on one day followed by a games day possibly at Piopio College.

All students in rooms 1 and 2 can take part. We hope they will all want to be a part of this celebration. Our presentation will be based on the story of our school sign.

- \* **Grandparents' Morning Tea...** many of our Grandparents will have received an invitation to our special person morning tea on Thursday at 11.30am.

Students will be sharing their work and talking about the changes to our library as well as singing songs/waiata.

- \* **Next Week's Newsletter...** will be sent home on Tuesday as it is Queen's Birthday holiday on Monday 7<sup>th</sup> and school will be closed.

- \* **Mokauti Bus Driver....** Diane Walker is the driver of the Mokauti Bus and if you need to get hold of her, please call or text her on 027-480-5545.

- \* **Speed Outside School Grounds...** parents/caregivers when leaving school grounds please be aware of your speed. It should be no more than 40km.

**Have a great week,  
Pam Voyce.**

**Winter Grazing Workshop**

This workshop will help farmers successfully graze animals in winter, looking after the environment and the animals, and will help farmers meet our industry's commitments around winter grazing.

**Thursday, 3 June 2021 | 10:00am - 2:30pm**  
**Mokauiti Hall, 1955 Mokauiti Road, Mokauiti**

In this workshop you'll work through the 'Forage Cropping' section of Beef + Lamb New Zealand's Farm Plan: Environment Module.

Following this workshop you will be able to:

- Outline how forage cropping fits into your farming system.
- Describe the crops used and where these are established on-farm.
- Carry out a risk assessment.
- Document and/or record your winter grazing action plan.
- Outline any winter grazing monitoring that needs to be done.

We encourage you to bring along staff and any of your team that will be involved with shifting and managing livestock on crops over the winter period to ensure everyone has a common understanding of good grazing management practices and your overall plan.

Lunch included. Workshop 10am-1pm followed by a clinic 1pm - 2:30pm

Registrations essential to ensure sufficient resources are available for each attendee.

0800 BEEFLAMB (0800 233 352) | WWW.BEEFLAMBNZ.COM | BY FARMERS. FOR FARMERS

To Land Owners and Duck Shooters.

You have probably noticed by now that some ponds haven't shot so well Ducklings numbers down Ducks not too keen landing this by in large can be put down to EEL infestation. I have proposed to the Aria Primary School with the co-operation of land owners to harvest by nets the predator eels this would bring back the balance and do wonders for the environment. All catches are done by digital APPS.to M.P.I. automatically 50% of the catch value goes to levies and withholding taxes but I don't think I need to tell farmers about all that sort of rubbish. That leaves 50% of which 10% as a donation goes to the school with enough participation this will add up and creating money for a good cause at no cost to you .I have the necessary permits and work and safety are not an issue. Must be able to drive to the ponds by 4 wheel drive to put in my boat. I lived in the aria area for a number of years and are known to some .If enough participate this can be a real plus all round.

Please ring 0274858622 Gary Wright for details etc. If no reply please leave a message with your number could be out of area.

Kind Regards Gary Wright
